

Omar Ayman Gaber

PHP Laravel Full-Stack Engineer

6th of October, Giza, Egypt | omaraymangaberfci@gmail.com | +201004365225 | LinkedIn | GitHub | LeetCode
Codeforces

Education

Fayoum University Oct 2022 – Jul 2026
Bachelor in Computer Science
• **GPA: 3.29/4**

Professional Experience

Aspire Institute  Aug 2024 – Nov 2024
Aspire Leaders Program Intern Internship, Remotely
• **Aspire Institute**  provides a worldwide leadership program in partnership with **Harvard Business School**  professors.
• Supervised by 2 **Harvard Business School**  professors :
- **Karim Lakhani**  | **Tarun Khanna** 
• **Skills Gained** : Leadership | Communication | Self awareness | Self-confidence

Digital Egypt Pioneers Initiative - DEPI  Jun 2024 – Dec 2024
PHP Laravel Full-Stack Developer Intern Internship, Hybrid
• **Contributions:**
- Created engaging and responsive user interfaces using the mastery of **HTML**, **CSS**, and **JavaScript**.
- Integrated robust back-end systems with **PHP**, **Laravel**, and **MySQL** following **MVC architecture**.
• **Key Projects:**
- Developed and launched a fully operational quizzes platform as a graduation project using **Laravel MVC** (Quizzes Light ).
• **Skills Gained:** HTML | CSS | JavaScript | SQL | MySQL | PHP | Laravel | Git | GitHub

Skills

Programming Languages: C++ | Python

Technical Skills: OOP | Problem-Solving | Competitive Programming

Front-End: HTML | CSS | JavaScript

Back-End: PHP | Laravel

DataBase: MySQL

Tools/Technologies: Git | GitHub

Soft Skills: Communication | Collaboration | Self-Motivated | Self-Learner | Eager to learn

Others: Fast typing (28 WPM) | Searching

Projects

Quizzes Light  Oct 2024 – Nov 2024
DEPI Graduation Project
• **Project Description:**
- Built with **Laravel MVC**, utilizing **PHP**, **phpMyAdmin**, **Blade**, **CSS**, and **JavaScript** for a full-stack, responsive quiz application.

- Allows admins to view detailed student performance metrics, helping to assess learning outcomes.
- Implemented robust security protocols to protect user data and maintain quiz integrity.
- Allows administrators to create, update, and delete quizzes as required effortlessly.
- Provides immediate scoring and feedback for users to foster a continuous learning environment.
- **Role in Quizzes Light:**
 - Programmed secure authentication and authorization, establishing clear role separation between admin and user.
 - Designed and implemented CRUD operations within the admin dashboard for efficient management.
 - Enabled detailed viewing of student results, improving tracking and analysis of performance.
 - Engineered quiz logic to streamline quiz-taking and scoring, ensuring users receive instant feedback on results.

Volunteering Experience

VEP - Volunteers Empowerment Program [↗](#)

Aug 2023 – Sep 2023

Information Security fundamentals track member

- Reviewed the fundamentals of **Information Security**, covering key concepts like the **CIA triad (Confidentiality, Integrity, Availability)** and their application in securing systems.
- Addressing cybersecurity awareness by identifying and mitigating threats such as **hacking, phishing, and scamming**, reducing personal vulnerability to online scams by **50%** through applied techniques.
- Engaged in **5+ Capture The Flag (CTF)** challenges, solving practical security problems and improving ethical hacking skills.

IEEE Fayoum Student Branch [↗](#)

Nov 2022 – Aug 2023

Problem-Solving team member

- **Taught and learned** algorithms such as **binary search** and **static range queries** to **10 team members**, to enhance problem-solving skills.
- Participated in **weekly programming contests** to apply learned algorithms and improve algorithmic thinking in competitive settings.
- **Delivered talks** to over **10+ newcomers**, emphasizing the importance of problem-solving in software development, which encouraged **5+ new participants** to join and engage in contests actively.
- **Collaborated** on solving **50+ problems**, fostering a supportive learning environment that enhanced the team's collective algorithmic understanding.

Honors & Awards

2nd Place Award – Quizzes Light, PHP Laravel Graduation Project, DEPI [↗](#)

Dec 2024

MCIT, DEPI, EYouth

ECPC Qualifications 2024 [↗](#)

Jul 2024

- Ranked **138th** at ECPC Qualifications 2024.

ECPC Qualifications 2023 [↗](#)

Aug 2023

- Ranked **101st** at ECPC Qualifications 2023.

Best member of Analytical Thinking team of the year 2023

Apr 2023
